Dearest Mom, Pop n' Sis, Had a nice rain over the weekend so less dust & ash, the air is fresher, & trees & grass greener. So if the dust doesn't start blowing again, maybe I'll feel like settling down to write a long letter this week. - Last week was certainly -nasty. Still don't know if they deliver mail to the apt. but they do deliver packages. Try dropping an airmail card to this address to see if I rec. it. #61, Richardson View Apts. Anchorage, Alaska. Rec'd Sis' nice long letter. Sorry Alice didn't have a nicer vacation. Rec'd all forwarded mail too. Thank Dave, Jan, Muffin n' Coop
